

Pullman Vision Source Eyewear Sales Position / Optician

Pullman Vision Source is a locally owned and leading optometric office with a team that shares a common goal: to provide unmatched excellence in eye care and eyewear.

We are looking for an outgoing and highly motivated retail sales associate /optician to work with us, in a fast paced, medical/optical environment. The successful candidate will have a passion for sales and customer service, as well as a keen interest in the optical industry.

Key responsibilities

- Eyewear sales & dispensing
- Engage with patients in a friendly and professional manner, ensuring a high level of customer service at all times
- Assist patients in selecting the right frames, lenses and other optical products to meet their specific needs by providing detailed product information
- Frame adjustments and repairs
- Process and submit orders through Vision Web, Eyefinity and Eyemed and CLX

This position requires reliability, confidence, motivation, and the willingness to grow and learn. This team member must be able to multi-task, critically think, be computer savvy, work well with others and cross train with other areas of the office.

- Previous customer service experience required
- Previous optical experience preferred
- Optician licensing and/or Paraoptometric Certification preferred but not required

This job description is intended to provide a general overview of the position. It is not an exhaustive list of all responsibilities, duties, skills, and qualifications required.

Pay from \$20/hr - \$32/hr DOE

Retention Bonus after 1 year of employment
